

2020 Ceunant Meets

Date	Where	Summary
6-8 Mar	Llangollen	<p>Llangollen. This March we're going to have a bit of a format change and head to Llangollen. There is a load of climbing up at Trevor Quarry area, most of it bolted, with some trad options as well. This gives us more flexibility for poor weather and makes it close enough for people to make it a day trip if they fancy a drive across at the last minute.</p> <p>We suggest that everyone sorts out their own accommodation. There are campsites, small independent hostels, hotels, B&B options, some examples below:</p> <p>www.llangollenhostel.co.uk/ www.wernisaf.co.uk www.theabbeyfarm.co.uk/ www.abbeygrangecampsite.co.uk/</p>

Let's hope the weather is kind to us, and we can savour the £4 per night camping and a few beers in the St Govans Inn! No need to book the camping, just turn up. The camping field is in the village of Bosherton across from the pub and is large so there will be no problem for us to grab an area for ourselves.</p> <p>www.rj-roberts.wixsite.com/bosherton</p>
