...a few words from the Chair!

Now that Winter Ski Trips, Ice Climbing and Wet Walks in the Hills are beginning to fade, it's time to turn our sights towards other challenges!

Firstly, our major social event is almost upon us, the AGM & Dinner. An Agenda is enclosed for the meeting and if you haven't booked your dinner yet you had better get a move on! (ed- call Steve ASAP on 07929 272 059). It's always great to see so many of the Ceunant, some of which we don't see from one year to the next, swapping stories and hatching plans for the coming year.—Don't forget your costume for this years theme—The Wild West!

For summer 2007 the major outdoor meet is without any doubt Lundy in August. We have secured ferry crossing and accommodation for 14 people with the cost to Ceunant Members being around £150. This is a terrific opportunity to visit the island, and one that we will probably not repeat for a few years! So if it is on your tick list—don't miss it, 18-24 August 2007— secure your place with a £50 deposit posted to Steve Ratcliffe ASAP!!

A subject you may or may not be aware of, the request from some members to change the Wednesday Night meeting spot from the Spotted Dog to the Moseley Arms will be put forward at the AGM, please make sure you attend if you have a view you wish to express either way regarding this proposal.

On a sad note we have recently heard of the sad death of one of our life members, Arthur Stuart-Becker. Arthur was an active member during the 1960's and acted as chairman in the 1970's. During Arthur's time as chairman he steered the club through a period of considerable difficulty with at one point our very residence at T'yn Lon being under threat. The Club today owes a lot to Arthur.

The full Meets and Events Programme for the coming year will accompany the Spring 2007 Newsletter that will be on it's way to you shortly following the Club Dinner & AGM next weekend.

Looking forward to seeing as many of you as possible over the summer.

Good Climbing,

Tony.
